

JAMIE L. MAHNE
Chief Client Officer

As chief client officer at TEA Solutions, Jamie Mahne is responsible for growing, maintaining, and enhancing the strength of TEA Solutions' client base. He also oversees all business development and client services functions, including strategic client services initiatives.

Mr. Mahne has over 20 years of experience in the energy industry, with a variety of management roles in marketing, business development, customer relationship management, project management, and consulting services. He was an energy consultant for The Structure Group and a Project Engineer for Exxon Computing and Network Services. Mr. Mahne has managed business integration projects for some of the largest merchant generators, retailers, and investor-owned utilities in the United States, helping participants integrate into the North American RTOs (PJM, ISO-NE, NYISO, MISO, CAISO, ERCOT and SPP).

Mr. Mahne holds both a master's degree in business administration and a bachelor's degree in communication from Mississippi State University.
